ROUTE DESCRIPTION

CTOUCH EUROPE HAS MOVED TO A NEW LOCATION

We have moved to the innovative TQ building in Strijp-T district, where Philips started its business more than 125 years ago.

ACCESSIBILITY

Strijp-T is very easily accessible: by train (3 minutes' walk from Strijp-T train station), by car (5 minutes away from A2), by plane (10 minutes away from Eindhoven Airport) and by bike (10 minutes ride from Eindhoven centre).

The Achtseweg street, located across the Strijp-T train station, is one of the access routes connected to the city ring (Beukenlaan). Achtseweg Zuid is located at the front of Strijp-T district, with the entrance to building TQ, a large parking area and in close proximity to the train station.

We recommend taking the Achtseweg Zuid entrance. As soon as you have entered the parking area, you will find our building on your right. You can park your car on the left in P2. You will find the entrance under the awning.

VISITORS ADDRESS

TQ3 building is the largest building of Strijp-T district. CTOUCH is located at the third floor. For any questions, please contact us at 0031 (0) 40 261 8320 or your CTOUCH contact person.
